

Cindy & Warren Clayton Greene

Ballance
Farm Environment Awards®
Profitable Sustainable Profitable Farming

WAIKATO

2016 ENTRANT MONTAGE

JUDGES' COMMENT

"Well balanced farming system demonstrating how a farm can be profitable whilst still remaining environmentally sustainable."

FINALIST

Glenview Station,

Warren Clayton & Cindy Greene

| LOCATION | FARM TYPE | SIZE |
|----------|--------------|--------|
| Te Kuiti | Sheep & Beef | 870 ha |

JUDGES' COMMENTS

- Overall a very impressive business and farming environment; a real role model of future high country farms
- A farming system that demonstrates getting the balance between economic, production and environment right
- Fantastic result of no debt and being able to save up a sizable deposit for a second property.
